Dear Mr.Nilesh Mehta,

It is my great pleasure to write this testimonial. You have helped us in finding an ideal location for our World Class Day Care Laser Surgery - Varicose Veins Treatment center.

You showed us lots of locations until we finalized on our ideal spot on SV Road, Khar West.

You were also very helpful in lease negotiations and other formalities.

What I especially liked about you was your earnest nature and keenness to actively look for the properties that fit the profile of your clients.

I wish you the best and hope you continue to excel in your field.

Regards,

Dr.Saurabh Voshi, MD, FNVIR
Founder - The Vein Center, Khar West and Andheri East.
